

# Tax

## Creating value for growth-oriented businesses

**Every year, thousands of individuals and businesses pay additional taxes.**

Tax can often be seen complex, particularly across international borders. Tax regimes and compliance regulations change rapidly, and corporate activities in one jurisdiction can have a major impact on tax liabilities in others.

These taxation reforms and technological changes can disrupt traditional business models and creating huge challenges for organisations, and within such a competitive and intense market your business may not operate in a way you had originally planned.

With the support of our tax specialist we offer innovative solutions that manage your liabilities and support your business achieve your commercial objectives. But you will benefit from more than our technical expertise. You will also gain commercial insights that will help you make better financial and business decisions.

Whether you are a large multinational corporation, privately held businesses, small business or entrepreneur, you will receive the most effective tax solutions to support your goals. Our close collaboration with other Grant Thornton member firms ensures our services are relevant to your tax affairs, wherever you are in the world.
