

Technology Advisory

Leveraging smart tech to drive innovation

Powerful forces such as globalisation and rapid technological change are disrupting traditional business models. By working with Grant Thornton, you will better understand these forces and their impact. We can formulate solutions to keep you ahead of disruptive change and support your innovation ambition by exploiting technology.

Our clients get the very best that Grant Thornton has to offer

At Grant Thornton, we believe that the only risk which should be present in a business is a well-informed and calculated risk. Our Technology Advisory professionals work with you to analyse any technology risks which may be present, identify opportunities to enhance operational efficiency and to ensure that technological advancements are in place.

We work with you throughout your growth life-cycle from startup all the way through to your desired growth point, ensuring your business is well equipped with the technological advancements which will ensure efficiency, effectiveness and growth.

About us

Grant Thornton Azerbaijan

As a member firm of Grant Thornton International Ltd and a leading business adviser, our brand is respected globally as one of the major global accounting organisations recognised by capital markets, regulators and international standards setting bodies.

Privately owned, publicly listed and public-sector clients come to us for our technical skills and industry capabilities but also for our different way of working. Our member firm partners and teams invest the time to truly understand your business, giving real insight and a fresh perspective to keep you moving.

We have extensive local and regional knowledge, and are constantly evolving and developing alongside our clients. Grant Thornton Azerbaijan has the scale to meet your changing needs, but with the insight and agility that helps you to stay one step ahead. Therefore, whether a business has domestic or international aspirations, Grant Thornton can help you to unlock your potential for growth.
